

DIRECTIONS

Although there is access directly onto the A580 East Lancs Road, we recommend, especially at busy times of day, using the following route:

From the A579, take St. Helens Road towards Leigh town centre.

Take the third right onto Beech Walk.

Follow Beech Walk to the end, past Leigh RUFC on left, the road narrows into a single track.

The tarmac covered road bends round to the right, do not follow the bend, carry on straight onto the cinder track.

You will find Leigh K9 Hydrotherapy right at the end on the left hand side.
